Strong worth ethic, adaptability and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills. Hardworking employee with customer service, multitasking and time management abilities. Devoted to giving every customer a positive and memorable experience.

EXPERIENCE

UI/UX/Designer, May 2022- Present.
Freshokit India Pvt Ltd-Gurgaon, India.

- Generated UX concepts such as tasks analysis, storyboards and use cases to accelerate user flow.
- Redesigned and implemented complete web applications to meet web and industry standards.
- Developed custom web application interfaces with HTML and CSS to meet client requirements.
- Crafted digital branding based on UI system layout, asset identification and project requirements.
- Identified technology solution alternatives in line with specific client objectives and challenges.
- Established brands to help implementation partners supplement prototypes.
- Implemented searchable indices for webpage content.
- Conducting usability testing: A UI/UX designer may conduct usability testing to gather feedback from users and evaluate the effectiveness of the design. This feedback is used to refine and improve the design.
